Dear Mr Dowling,

**Section 96A of the Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015
(as amended) - Article 10**

Non material amendment following the grant of M/60/25/HH relating to change of porch design.

16 Sea Way Middleton-on-sea PO22 7SA

I refer to your recent application for a Non Material Minor Amendment.

Non-material amendments are considered to be those changes which are insignificant and do not change the intensity, form or description of the original planning permission. They cannot change the intensity of the original planning permission, result in a change to the description of the application or conflict with any conditions of the original permission.

The proposal has been accepted as a Non-Material Amendment because it would not materially alter the impact upon the originally approved development and do not necessitate additional consultation and it can therefore be considered under Section 96A of the Town and Country Planning Act 1990.

From the information submitted I am able to take the alterations as a Minor Amendment to M/60/25/HH. The new plan South Elevation (December 2025) is therefore accepted as part amending the previously approved "Proposed Elevations" PL1A drawing.

I trust this information is of assistance to you.

Yours sincerely
