Subject: 93 Middleton Road Photos

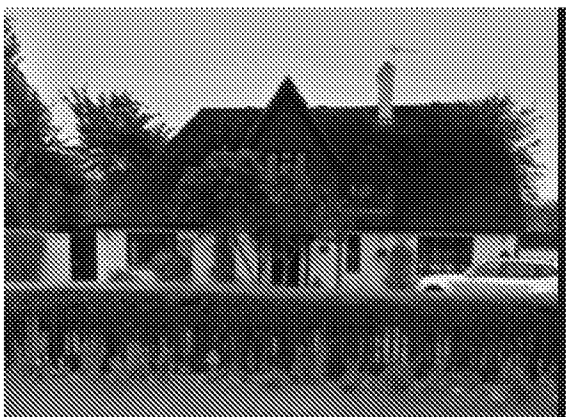

Attention Anita Gardner

Dear Mrs Gardner, As advised on the previous email, I attach photos of our neighbouring properties to demonstrate the street scene and the way that our house (93) is set back from the road behind a tree lined front boundary.

Photo 1: This is 101 Middleton Road (3rd property to the right of 93)

2. This is the property opposite, which was previously thatched

3. This is the view from outside number 97 with our house in the distance (to the left)

4. Little Rising - Prominent house in the centre of the village displaying many of the design features in our new proposal.

.. and other houses in the street which follow similar design features

I hope this is beneficial in your review.

Kind Regards
Jeff
