Dear Planners, cc Mrs Gardner,

Please find attached two additional photographs on respect of the above Application to be included in our objection. Once again the system does not seem to accept photographs.

The left one is a new photograph and shows the current lounge extension at number 93 that is not currently shown on the dotted line included on drawing AB:100:12 Version 5

The right one is a clearer photograph of one already submitted showing our dormers and rooflights - the previous one was somewhat obscured by sunlight.

Sincerely

Mr & Mrs Dixon
