Zac

Please see my correspondence with the applicant below, the contents of which will be self-explanatory.

Hopefully you will be able to support my recommendation and confirm with the applicant that the application has been withdrawn and they are free to proceed with the work as described therein.

Regards,

Mark

Subject: Planned Removal of 1No. Sycamore At Rear of 72 Ancton Way, Elmer

Dear Abi

I refer to our site meeting earlier today. Thank you for the advance notification of your intention to fell this tree and providing an opportunity for me to assess its condition.

In summary, I am satisfied that this tree is in such a condition that your intention to cut it down to near ground level qualifies as an exception. Under these circumstances a formal application to the local planning authority (Arun District Council) is not required.

I shall forward a copy of this email to our planning department and the case officer assigned to process your existing application (M/123/18/T) – which you have confirmed you would like to withdraw.

Please proceed with the removal of this tree at your convenience, which I understand may take place tomorrow.

Kind regards,

Mark Warwick
