Dear Andrew

I am happy to do so . The fence however is 2/3 completed (we have naughty escape artists dogs so will have to have a fence anyway) so I have attached photos which might be sufficient. Let me know if you still need drawings

Daphne

The gap in this photo is where the planting is going and then we will finish the fencing. We have put the same fencing all round the garden

This is from the road side of the fence. You can see the fence is not upsetting all the existing shrubs etc.

Best wishes
Daphne

Daphne,

I am currently dealing with your application to discharge condition 4 of M/39/17/HH – M/125/18/DOC.

Can you please provide a plan and elevational drawing of the proposed 'tall fence' 3 metres back from the road. It is important that this drawing is drawn to scale. Please indicate the materials of construction of the proposed fence.

As soon as I have received these details I will endeavour to have the application determined.

Do not hesitate to contact me on 01903 737768 should you have any queries regarding the above.

Thank you,

Andrew Wood
