Good afternoon,

Please could you provide details of the proposed materials for the extensions at the address above? This should include details of the material/finishes for the walls of the extension at ground floor, the gable end, dormers and roof. I would need to hear from you by 16/04/2025, as the determination date for the application is approaching.

I look forward to hearing from you.

Kind regards,

**Hebe Smith (she/her)**
