Dear Sabelle,

Our Engineer has looked at the details submitted to date and provided the following comment to the information submitted:

‘Please can an impermeable liner be provided to the sides of the rear garden ground floor terrace to ensure that water does not travel through the sides of this raised area and infiltrates through the bottom only?’

I would appreciate receipt of additional information incorporating this detail within the next 10 days.

Regards
Anita

Dear Sabelle,
There is no feedback on the application. Our drainage engineers were consulted on 06-10-2021 and are likely to take at least a month to respond.

Good morning Anita,

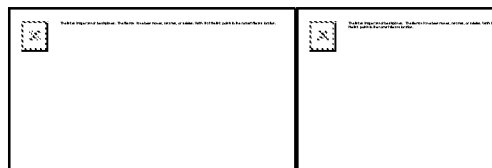

I hope all is well.

Please can we have any feedback on the application? If any further information is required do please let us know.

Kind regards,
