Subject: Additional Clarification Application M/134/17/CLP

Attention Anita Gardner

Further to your email dated 5th March 2018 regarding additional clarification on application M/134/17/CLP

Please pass on my thanks to Mr Baeza for the telephone call yesterday and the clarification provided on the content of your previous email.

I confirm the following:

1. The caravan will only be used as temporary accommodation by Mr Barbary (the self-builder) and his family prior to and during the proposed construction works.
2. As you have seen and we have previously documented, the property is currently in a very poor condition and certain parts are unusable.
3. The caravan will be removed from the site within two months of the building being fully reoccupied following completion of the proposed construction works.

I trust this revised statement provides sufficient clarity as to the intended use of the caravan. Please advise if you need any additional information. I would obviously like to avoid a rejection based on insufficient information.

Whilst writing, I confirm my agreement to an extension of time until 16th March 2018.

Regards, Jeff Wilson
