Mrs Gardner, cc Mrs Oakley

Whilst reviewing the Application for the mobile home M/134/17/CLP we would like to share a concern we have about comments made by Mr Wilson as part of his Application.

In his email dated 6th March 2018 he states at his point 3 :

‘ The caravan will be removed from the site within two months of the building being fully reoccupied following completion of the proposed construction works ‘

Our concern is that whilst we can fully understand the request for the use of such a mobile home it has been placed in a particularly prominent position. As the project will be a ‘self build’ involving providing accommodation for two families we are concerned that point 3 leaves the removal of the mobile home in effect open ended with no end date or even a suggested timescale. The phrase ‘fully reoccupied’ leaves it very open ended.

Sincerely

Mr & Mrs Dixon
