Dear

8th November 2018

Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015
Application for Planning Permission for Works or Extension to a Dwelling

Development To extend the dropped curb across the whole of the driveway at front of the house to enable additional off-street parking

Location 98 Elmer Road Middleton-On-Sea

Thank you for your recent application which I received on 5th November 2018. It is being validated by Sian Eggington who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a formal application until the following item(s) have been received or resolved :-

Dimension Required: You are required to show the width where the pavement meets the road on your crossover.

Dropped Kerb: You appear to have shown the dropped kerb before the pavement. Please clarify if this is correct if not please amend your drawing.

Visibility Splay Required: A visibility splay is required for this application. A visibility splay is formed by measuring to a point 2.4m back from the carriageway in the centre of the driveway or entrance. A line (70m long in the case of a 30mph limit) is then drawn to the right, to a point where it strikes the near-side edge of the carriageway.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

For further detailed information on both the National and Local Validation Requirements please go to our website: <http://www.arun.gov.uk/making-a-planning-application>

If you are unable to access the website, please contact this office so a copy can be sent to you.

Please provide the above by **22nd November 2018** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed with the application. If you have difficulty

meeting this deadline please contact the above officer to discuss the matter.

Yours sincerely

A handwritten signature in black ink, appearing to be 'NC', followed by a period.

Neil Crowther
