**Planning Application M/149/18/TL**  
**7 St Nicholas Lane**  
**Middleton on Sea**

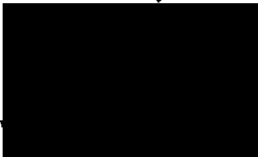

**Dear Sir/Madame**

We wish to object to the removal of Clause 2 regarding the annexe at the above address for the following reasons.

This annexe was incorrectly sited too near to our property when it was built despite the fact that this was notified to your council when the footings were dug. In consequence of this the owners had to make a retrospective planning application and this was when Clause 2 was added to the planning permission to preserve our privacy and to protect us from any excessive noise. Nothing has changed since this time and this together with the fact that there is no suitable place to park in St Nicholas lane is the basis of our objection.

Yours faithfully

O 

G D Lloyd
