Hi Nicky

Please see attached the section drawing. I believe with this and the drainage information of last week you can now validate the application.

Thank you for your patience to date.

Kind regards

Hi Nik

Further to your email below, I do not appear to have received the drainage and sections.

Are you able to provide an indication as to when these will be received please? If not, unfortunately the application will have to be returned.

Kind Regards

Nicky

Hi Nicola

I am not sure if you are aware of the wider water neutrality issues affecting wider West Sussex needless to say all drainage engineers have a bit of a backlog. I know this is being attended to as is the section drawing. As soon as I have the documents I will send them to you.

Kind regards
