Dear Julie

I am putting you through this email in direct contact with Mr Spong the applicant.

Mr Spong has signalled to me that he is likely to take some time to consider his options so the development might not start for sometime.

I ticked for a self-build for Mr Spong as that is a possible option. If and when Mr Spong progresses down this line relevant forms will be completed and no doubt Mr Spong would comeback to me at that time for assistance.

Please can you direct emails to Mr Spong and just cc. me in for information.

Kind regards

Nikolas Antoniou

Good morning,

The above application was approved yesterday and I am therefore about to issue the demand notice. I note that they are applying for Self-Build relief but we have yet to receive this. I can send the Liability Notice showing the full amount payable, but thought I'd contact you first in case you want to submit the relief form now. Could you also please provide an email address for the applicant so the Liability Notice can be sent via email.

Many thanks,

Julie
