Hi Iqraa

I apologise, yes I accept the updated description and will not be making changes to the foul drainage.

Many thanks

June

Dear June,

Thank you for providing the amended CIL form.

However, this application is still invalid for the following reasons:

Description: Please confirm you agree with the amended description on the invalid letter.

Lidsey Statement: Lidsey Foul Water - Environmental Assessment Statement

The site for this planning application lies within the Lidsey Foul Water Treatment Catchment Area, please confirm whether your scheme is going to involve works which would require connection to foul drainage and whether you will be connecting to the existing public mains drainage system. If you are not and you will be connecting into a septic tank, cesspool or other means of private independent facility, you will need to submit an environmental assessment. Further details of what should be included in the statement can be found in the Validation Requirements List.

Kind Regards

Iqraa Malik
