Description of works: Laying out of an 18 hole 72 par golf course, a 9 hole golf course, practice greens and a driving range including a buggy compound; the formation of a new access onto the A259; construction of a club house with associated golf club facilities; the construction of a maintenance building and external area of hardstanding; the laying of parking, new roads and paths; new landscape planting; surface water drainage basins and water storage reservoirs; and other earth works and infrastructure. Thank you for your internet representation made on 5th March 2022 which has been recorded as an objection with the comments as follows:

OWPC44921

This is arable land in a strategic gap in the south coast sprawl. To build a golf course is urbanisation and should not be permitted. The area is an important green corridor from the downs to the coast for wildlife. There is nothing to stop the golf course selling up for development in a few years as they are doing now with their Felpham golf course. This is a way for the golf club to make a lot of money selling of a perfectly good golf course to build another one on our vanishing coastal countryside.

There is a golf course behind West Beach only a couple of miles away and less and less people play golf. I object strongly to this.

Your views as made above will be considered before the application is determined.
