Would like to file complete objection to both.

Destruction of local green areas and natural wild life.

No infrastructure for homes especially as these type of homes attract young families. ONE doctor in this area!!!

No parking at Downview already dangerous and out of control

No schools.

No amenities with parking

No police force huge existing drug problem with youngsters on King George playing field. Never ever police presence in area!

Terrible existing water mains and gas pipe problems that need addressing prior to development

Huge environmental existing problems of raw sewerage in the sea.

Rubbish and sea pollution.

I would like to log full objection.

Complete legal without prejudice objection!

Kind regards,

Emma Delieu
