Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/16/22/PL
Site Address: Land South of Grevatts Lane/A259 Climping
Description of works: Laying out of an 18 hole 72 par golf course, a 9 hole golf course, practice greens and a driving range including a buggy compound; the formation of a new access onto the A259; construction of a club house with associated golf club facilities; the construction of a maintenance building and external area of hardstanding; the laying of parking, new roads and paths; new landscape planting; surface water drainage basins and water storage reservoirs; and other earth works and infrastructure. This application also lies within the parishes of Climping and Yapton, is a Departure from the Development Plan and affects a Public Right of Way. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 22nd March 2022 which has been recorded as no objection with the comments as follows:

OWPC45431

The public right of way needs to remain a public right of way. The developers need to adequately provide for sewage and flooding so that there is no impact on the surrounding area. There should be provision made for wildlife and insects affected by this potential development. There should also be signed assurances that if permission is granted for the golf course that no adjacent land will be developed for housing. My fear is that granting this development will make those adjacent areas vulnerable to further development.

Your views as made above will be considered before the application is determined.
