This application also lies within the parishes of Climping and Yapton, is a Departure from the Development Plan and affects a Public Right of Way. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 22nd March 2022 which has been recorded as an objection with the comments as follows:

OWPC45435

This application should be refused. We need every acre of arable space to be food independent as a nation. The area in question forms a natural boundary which would be lost if it is developed. The Golf Course only benefits a few people in our community. Ancton Lane is a quiet low traffic avenue and would be totally lost if the scheme proceeded. We do not need this limited community benefit facility and the Golf Course should stay where it is. Their existing site must not be developed for the following reasons:
The application (FP/274/21/OUT) does not fall in the adopted local plan. We have many instances of traffic gridlock and with most homes having two cars this will add to the problems we face every day. Local schools are struggling to meet the needs of our children and there is a shortage of teachers. Services such as the Doctors are already struggling to see their patients. This area is substantially over developed. New homes here do not meet the local housing need as new homes just bring more people into the area. This application should be turned down immediately.

Your views as made above will be considered before the application is determined.
