Thank you for your internet representation made on 28th March 2022 which has been recorded as an objection with the comments as follows:

OWPC45717

I wish to object to the application for the development of a new golf course on farmland at Ancton. This is only required due to the ill conceived application to develop the existing golf course in Felpham, an application which is almost criminal in its foolishness. In this era where we require to produce more food for our ever growing population it is ridiculous to turn perfectly good farmland into a leisure facility which, by its very nature, will only be accessible to a minority of people. Added to this the application states that a new access will be built onto the A259, a road that is already groaning under the current weight of traffic. Furthermore, it will be near the notorious Comet Corner where there have been a number of fatal and other serious accidents over the years. I urge the Council to reject this application.

Your views as made above will be considered before the application is determined.
