Re: FP/274/21/OUT and M/16/22/PL

I wish to state my opposition to the above planning applications for housing to be built on existing golf course in Felpham and the re-location of the golf course to Ancton Lane. These developments would have a deleterious and irreversible effect on the quality of life for both the existing population and that of the incoming people.

There is simply no infrastructure to accommodate the increasing population in this area already, let alone the burden of a never ending deluge of new builds on every conceivable parcel of land. The government and developers seem to have forgotten that it is people who will have to cope with the ill thought out repercussions of their zealous building crusade.

Lastly, the above Planning Applications are not included in the "Local Plan", and so there is no legal or official diktat to approve said applications. Therefore, you as the Planning Office will hopefully use your own good judgment and common sense when making your decision.

Regards,

Mrs Victoria Hazlewood Lord
