Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/16/22/PL
Site Address: Land South of Grevatts Lane/A259 Climping
Description of works: Laying out of an 18 hole 72 par golf course, a 9 hole golf course, practice greens and a driving range including a buggy compound; the formation of a new access onto the A259; construction of a club house with associated golf club facilities; the construction of a maintenance building and external area of hardstanding; the laying of parking, new roads and paths; new landscape planting; surface water drainage basins and water storage reservoirs; and other earth works and infrastructure. This application also lies within the parishes of Climping and Yapton, is a Departure from the Development Plan and affects a Public Right of Way. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 9th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46498

I object to the access point for the proposed golf course being from the A259.

The stretch of the A259 between Felpham and Worthing is a very busy, fast road, with a constant flow of traffic since the opening of the Site 6 relief road, Charles Purley Way.

Turning right onto or off the A259 is both difficult and dangerous.

Cars turning right into the proposed golf club will cause long tail backs of traffic.

The construction process of building the junction will cause major disruption to the flow of traffic over a long period of time, disrupting peoples commute to work etc.

Expensive road safety improvements have failed to make the Comet Corner junction safe, especially as the flow of traffic has increased dramatically over recent years.

The last major accident at the Comet Corner junction was only last week; I saw two fire engines attending; the A259 was shut; traffic was diverted through Yapton at a stop start pace; tail backs developed quickly in both directions.

It is far too dangerous to build another junction on this stretch of road.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/what-happens-next>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/planning-application-search>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning

For details of how the Council will deal with your data please refer to our privacy notices on the website <https://www.arun.gov.uk/privacy-policy/>

If you have provided an email address, all correspondence including the decision notice will be sent by email. It is therefore important that you keep us informed if this changes during the course of this application.
