Application M/16/22/PL- OBJECTION

I strongly object to this proposal which plans to take 70 hectares of fertile farmland out of use. The Application is unclear on Rights of Ways but it seems that existing rights will be replaced by

Permissive Rights which can be withdrawn at any time. Land currently open to members of the public will not be in the future. Ecologically speaking, golf courses are a disaster, reducing variety and volume of wild life.

Access to and from the A259 will be very difficult as this is an extremely busy 60 mph road often clogged with traffic.
