Dear sirs,

I wish to object to the plan to build another huge amount of houses on the existing golf course.

Surely it is obvious that one main access road from the Felpham traffic light junction is not enough for up to 600 homes.

The current infrastructure cannot cope with the proposed plan.

The doctors surgeries and hospitals cannot cope at the moment with the existing population around here.

The schools do not have enough capacity.

I cannot believe anyone could even consider going ahead with the current infrastructure.

Please do not allow this to happen.

Regards

Barry Finch
