Site Address: Land South of Grevatts Lane/A259 Climping
Description of works: Laying out of an 18 hole 72 par golf course, a 9 hole golf course, practice greens and a driving range including a buggy compound; the formation of a new access onto the A259; construction of a club house with associated golf club facilities; the construction of a maintenance building and external area of hardstanding; the laying of parking, new roads and paths; new landscape planting; surface water drainage basins and water storage reservoirs; and other earth works and infrastructure. This application also lies within the parishes of Climping and Yapton, is a Departure from the Development Plan and affects a Public Right of Way. This application is subject to an Environmental Statement.

Thank you for your internet representation made on 6th July 2022 which has been recorded as an objection with the comments as follows:

OWPC48815

We reiterate our objection to this proposal made in detail 7/3/22 under FP/274/21/OUT reference OWPC44956. We support ALL the other objections made against this proposal and deprecate the self-interested greedy motives of the proposers, exemplified by the cynical mobilisation of what are most likely golf club members to deluge the Planning Authority with one-line "support" representations (no details or justifications are given) for this avaricious scheme. Clearly these people should be required to declare their interest, thereby revealing their selfish motivation and disregard for the environmental quality of life of local residents. Again, we urge ADC to reject the proposals.

Your views as made above will be considered before the application is determined.
