Fao Nicola Moore

Dear Ms Moore

Thanks for your help in the phone just now. As requested I am emailing the details you require.

1. The tree is large currently - approx 23m high x 18m spread (wide). The tree is balanced and fairly symmetrical. We wish to give the tree a full symmetrical crown reduction.
2. We would like to reduce the tree's height to 15m if possible. We would like to reduce the tree's width to 10m if possible. We will take the advice of the tree surgeon on the day if these reductions would endanger the tree.

Hope that's what you needed.

Many thanks

Cosmo Wisniewski
