Dear Miss Hague

M/19/10/NMA – Application for a non-material amendment following a grant of planning permission M/130/07 to retain flat roof over side dormer in lieu of 11 degree 'cat slide' roof as approved. Retention of front elevation without short section of roof previously shown over garage door at 6 Norfolk Way, Middleton

Thank you for your application regarding an amendment to the above approval.

The flat roof dormer on the east side and roof alteration on the front elevation can be dealt with as a non-material amendment as shown on the submitted drawing No. DH/6 Revc which was received on 28th April 2010. This now becomes the approved plans for planning application M/130/07.

I trust this information is of assistance to you.

Yours sincerely
