Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/20/22/HH
Site Address: 48 Lane End Road Middleton-on-sea PO22 6LT
Description of works: The construction of an additional storey, rear single storey extension and detached garden building.

Thank you for your internet representation made on 14th April 2022 which has been recorded as an objection with the comments as follows:

OWPC46651

I am not against home improvements or adaptations per se but am of the view that these proposed developments would significantly and excessively change the look and character of the original building and would not be in keeping with the rest of the road. The works will also impact on other residents. Others have converted lofts but, importantly, have kept the original roof height. This development risks adversely affecting the daylight that reaches neighbouring properties and will be different in appearance from all other buildings in the road. It risks setting a precedent that I do not support.

Your views as made above will be considered before the application is determined.
