Statement regarding Lidsey foul water treatment catchment area

The above property falls within the Lidsey foul water treatment catchment area as defined by Arun District Council. The existing property is connected to the mains drainage.

The refurbishment and minor extension works will increase the quantity of sanitary appliances as follows:

WC's – 2 Extra

Baths – 0 Extra

Basins – 2 Extra

Showers – 1 Extra

These additional facilities will all be connected to the existing foul mains drainage within the boundaries of the existing site.
