Dear Mrs Honney-Bayes,

Thank you for the request for further information that you sent through to us. We have now prepared this outstanding information and the necessary fee. After speaking to our client, we will be making several material alterations to the application previously submitted and as such, will be issuing an entirely new application. We understand that the current application will be certified as incomplete on the 5th April, however we are happy for you to do this immediately.

Kind Regards
