Subject: FAO The Planning Department - Re: M/25/19/PL 27 Central Drive

Hi Andrew

Sorry to chase, but have we heard back from the EA and Liz Rogers following the issue of revised documents, as requested on the 17/5/19.

I have e-mailed a number times on this matter without reply.

Nothing has been posted on the web site since my submission of the two reports mentioned above on the 17/05, my client is now a little concerned as to what is happening.

The EA said in their first consultation that they would reply within 21 days and Liz Rogers can respond on receipt of information.

Many thanks.

Kind regards

Ivon

Ivan,

Should all be good to go once the Environment Agency issues are resolved subject to the final opinion of my line management team.

Thank you,

Andrew Wood MRTPI

Subject: M/25/19/PL 27 Central Drive, amended drawings for substitution into application

Dear Richard

Many thanks for our meeting yesterday, as agreed please find attached a set of drawings amended to remove the direct link (door ground and first floors) between our proposed replacement dwelling and No 25.

I trust this will allow the application to no go forward for approval, subject to the EA lifting their objection. I am currently revising the FRA to answer the EA's queries and will issue by the end of week.

Many thanks.

Kind regards

Ivon
