Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/28/20/DOC
Site Address: Poultry Farm 87 Yapton Road Middleton-On-Sea PO22 6DY
Description of works: Approval of details reserved by condition imposed under ref M/45/16/PL relating to Condition Nos 10 - foul water drainage, 11 - surface water drainage, 13 - discharge of flows to watercourses and 14 - SuDs

Thank you for your internet representation made on 11th May 2020 which has been recorded as an objection with the comments as follows:

OWPC26848

I have lived in my house for over 15 years and this land has always flooded and there have always been drainage issues. I understand that at the site visit which was arranged prior to the committee meeting on the 5th February 2020 (which only a few councillors actually attended) it was established that a water percolation test had not been done by Frontier Estates from October to March. This is a Planning pre condition which must be carried out and I believe ADC own drainage expert commented on this point at that meeting. Why would ADC try to slip this application through now in the middle of a global crisis when the country is currently in lockdown?

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
