

The diagram is a first-floor plan of a rectangular building. The layout includes the following rooms and features:

- Bedroom 1:** Located in the bottom-left corner, it is a large rectangular room with a dashed line indicating a bed's position.
- Bedroom 2:** Located in the top-left corner, it is a large rectangular room with a dashed line indicating a bed's position.
- Bedroom 3:** Located in the bottom-right corner, it is a rectangular room with a dashed line indicating a bed's position.
- Bathroom:** Located in the top-right corner, it is a small rectangular room.
- Store:** Located in the middle-right section, it is a rectangular room.
- Staircase:** Located in the center of the plan, it is a rectangular area with a staircase and a door leading to the store.
- Entrances:** There are three main entrances on the left wall, each marked with a double line and a small rectangle.
- Windows:** There are three windows on the right wall, each marked with a double line and a small rectangle.
- Internal Walls:** The walls are represented by thick grey lines.
- Doors:** Doors are shown as arcs indicating the direction of opening.
