Dear Ms Burrows,

Please find attached the requested drawings. These should also have been sent to you directly, together the block plan by Steve Tubb, who has carried out the drawings. Please can you acknowledge receipt.

Additionally, with regard to your question on foul water drainage, I can confirm that the proposed work is simply a basic conservatory, so there will be no changes to the existing drainage arrangements at the property.

Please confirm that you have no more questions.

Many thanks.

David Jackson.
