Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Subject: RE: Request for further information M/30/21/HH
Importance: High

Please confirm receipt.

Also when requesting additional information it may help to separate out your request as at first glance, it looks like CIL was the only outstanding item as A. Not numbered so does not appear to be more than one request and B, not separated out or bullet pointed! We are all very busy.....

This was an urgent application, can you please confirm it is now validated.

I am surprised that when the CIL was returned the same day, no one thought to chase the other request by phone!

Kind regards

Robert
