BIODIVERSITY ENHANCEMENT STATEMENT

address: **4 SOUTH WALK, MIDDLETON**

job description: **PROPOSED REAR DORMER EXTENSION**

The proposal is to extend the rear dormer by 1.0m which will provide a larger en-suite and family bathroom. The proposals are considered too small to provide full biodiversity enhancements.

However, in accordance with Arun Local Plan Policy ENV DM5 we would like to propose the following proposals as part of this application: -

- 1No. bird and 1No. bat box to be positioned in the existing mature trees in the rear garden.
