Dear Tim

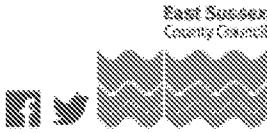

Thank you for consulting the East Sussex Historic Environment Record (ESHER) regarding this application and in accordance with the requirements of the National Planning Policy Framework (Policy 189).

On the available evidence, the East Sussex County Council Archaeology Team do not consider that in this instance, the information held by the HER would contribute to determining the significance of the heritage asset.

However there may be information held elsewhere relating to heritage assets on or adjacent to this site e.g. <https://historicengland.org.uk/listing/the-list/>

Please submit this email to the Local Planning Authority with your application

Kind regards
