Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

New dwelling & separate garage replacing the proposed new house in the previous planning permission ref: M/7/16/PL - Amendment to M/153/18/PL

46 Sea Lane Middleton-On-Sea

Thank you for your internet representation made on 22nd May 2019 which has been recorded as '**an objection**' with the comments as follows:

The proposed building is much too large for the area and not in keeping with the design principles of the Sea Lane estate. Furthermore, the location of the plot is key to the aesthetic and historical view approaching the sea at the end of Sea Lane. This property will obliterate the historical and original view as you approach the sea destroying the character of the sea front . The plots along the sea front provide a proportion of green space to building giving the area its character. These plans are wholly disproportionate It is essential this view and the look and feel of the traditional character of the sea front and approach is maintained.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information.
