Dear Sir / Madam,

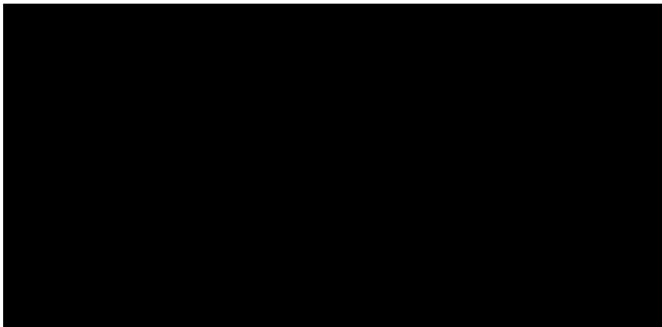

I have received a letter from Sian Eggington requesting further information on this application and have called to discuss but there was no answer and her mailbox is full.

Please find attached CIL questions form as requested.

Regarding the other comment about building line, I'm not sure what this refers to, but maybe to the line between the back of the garage and proposed utility room extension; I had left this on to show a demarcation between new and existing, but have now removed it in case it was confusing. Please find attached revised drawing.

Please let me know if you need anything further.

Yours faithfully
