Dear Mr Wild,

I would like to ask you for the confirmation of an extension of time for an above application (as a result of the late site notice) with a new deadline on 24/05/21 (today).

Your proposal is recommended for an approval.

Meanwhile I have checked Middleton-on-Sea Village Design Statement (Design Guidance for the Area of Special Character) at page 20 points out that 'particular attention should be paid to the design style and detailing, the original building's characteristics of proportion of windows to walls should be maintained. In case of extensions and alterations the aim should be that they will look as if it were part of the original design on completion.

However, the alterations proposed can be carried under PD.

Kind regards

Maria
