Dear Sirs,

Proposal: Demolition of existing side single storey extension & erection of side two storey extension plus dormer projection.
Site: 36 The Layne, Elmer, Middleton, PO22 6JL.
M/35/18/HH

Thank you for your letter of 11/04/2018

Southern Water would have no objection to the above proposal.

Southern Waters current sewerage records do not show any public sewers to be crossing the above site. However, due to changes in legislation that came in to force on 1st October 2011 regarding the future ownership of sewers it is possible that a sewer now deemed to be public could be crossing the above property. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its condition, the number of properties served, and potential means of access before any further works commence on site.

Yours sincerely,
