Dear Mr Wilson,

I've started looking at the above application to assess if I can accept it as an NMA, but I can't scale the following 3 plans : Section, Sheet 2 West Elevation or Sheet 3 North Elevation which don't have a scale, although there are some measurements given. The only plans which have a scale don't have a measure tool bar appearing so that I can

scale them electronically. I would therefore appreciate floor plans and elevations of the existing and proposed conservatory so that any differences are clear and dimensioned.

Regards

Anita Gardner
