M/40/18/HH

Sea Briers, Rose Avenue, Middleton, West Sussex.
Householder Application

Further to your letter dated 11/04/2018 please find information required below;

Foul Drainage ï The proposed works are within the existing dwellings footprint and will have only an additional shower room (an existing kitchen, utility area and bathroom exist at the property), the amount of additional waste water will be minimal as the occupancy of the dwelling as a whole will not increase. The foul drainage will connect and discharge into the existing dwellings system and then into the mains sewer.

Surface Water - The existing surface water drainage system will be utilise for the altered property, the roof area is not increasing.

I trust that this information is satisfactory, should you have any comments or queries please do not hesitate to contact me.
