Littlehampton
West Sussex.

Attention of Planning Department

Dear Sirs

M/41/18HH – 25 Sea Way, Middleton-on-Sea

The above building application is in my view too high and with the proposal of a third floor and balcony it would be overshadowing the neighbouring properties, hence compromising their privacy.

If passed it could set a precedent for future projects in an area of special character. Therefore I would like to object.

Yours faithfully

K A Moran
