Dear Daun,

Thank you for your email.

Yes, I confirm that the revised description is acceptable.

With regards to the named road issue, the existing dwelling is located on a private drive off of Seaway. Seaway is clearly shown and annotated on the location plans – both proposed and existing.

With regards to the 'proposed' works the floor plans clearly show – in blue shading – the proposed works. The existing dwelling is shaded grey.

I would be most grateful if you could now validate this planning application.

Thank you for your help.

Kind Regards,

Matthew

Mr Pickup,

Can you confirm that the amended description is satisfactory?

On the existing location plan, please provide one named road. Unfortunately 'private road' is not a named road.

On the proposed location plan, please provide one named road. Unfortunately 'private road' is not a named road.

On the proposed block plan please only hatch/highlight the part of the dwelling that the proposed works are being applied.

If you have any questions, please let me know.

Thank you,
Mrs Johnson

Dear Mrs Johnson,

Further to your letter dated 15th May 2017 please find attached revised drawings 16012 - 101 A (Existing) and 16012 -102 A (Proposed).

These have now show the various north points, named roads, red lines and elevations with the correct labelling.

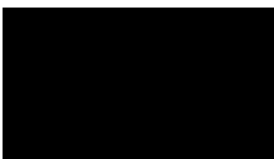

I trust that the application can now be validated and look forward to receipt of your confirmation in due course.

Kind Regards,

Matthew R. Pickup
