Following our telephone conversation I am pleased to attach an amended Parking Layout Plan containing additional detail.

Hopefully this is now acceptable to Highways.

Bryan,

Further to my email below could you please provide the Highways details as requested by West Sussex County Highways (please see attached Highway comments).

Thank you,

Andrew Wood

I am happy to add anything that helps. The solar tiles are fine however its a bit early to be choosing bricks. I suspect the windows and doors will be white upvc with white plastic guttering and downpipes.

Many thanks to you and your client.

I would like to see what exact materials they are considering using including roofing, external elevations, windows, doors and rainwater goods of that's ok? It would save a materials condition.

I would also note that there will be a requirement for 10% onsite generation under Arun Local Plan Policy . I would love to see someone use or at least agree in a planning permission the new solar tiles as supplied by companies like Elon Musk (Space X, Tesla, The Boring company) .

Thanks again,

Andrew Wood MRTPI
