

**M/47/19/HH – Environmental Assessment**

**9 East Avenue, Ancton, Middleton-on-Sea, Bognor Regis, West Sussex.  
Householder Application**

Further to your letter dated 23/05/2015 please find information required below;

**Foul Drainage** i The proposed works are primarily within the existing dwellings footprint and will have only an additional shower room (an existing kitchen, WC and bathroom exist at the property), the amount of additional waste water will be minimal as the occupancy of the dwelling as a whole will not increase. The foul drainage will connect and discharge into the existing dwellings system and then into the mains sewer.

I trust that this information is satisfactory, should you have any comments or queries please do not hesitate to contact me.

**Surface Water** - The existing surface water drainage system will be utilise, with an additional soakaway provided for the new external covered area.
