8th May 2015.

Ref: 24 Southdean Drive, Middleton, West Sussex, PO22 7SX.

Dear Mrs D Johnson,

With reference to the householder planning application for the above property submitted online via the planning portal.

Thank you for your letter. I hope the additional information I am providing is adequate for you to finalise the validation. If you need any further assistance please contact me.

Description of proposal: Convert the integral garage into habitable space, to include a small single storey east facing extension.

The existing house is connected to mains sewer. The proposed ground floor plan is to incorporate a small shower room; this will be connected to the existing sewer run within the grounds of the property.

Please find attached the Block Plan with the information you have requested. It is not a national regulatory requirement for the boundary measurements to be included but I have done so at your request.

If you have any questions or require further information please contact me:
