Dear Mr Leal,

RE M/49/17/PL – Premises formerly called The Bow Window

I write to confirm that I have no objection to this application, which I hope will be approved.

The adjoining property – Milford House – provides an example of how a change of use from commercial (it was a Haberdashery) to residential, can be achieved whilst preserving the character of the building.

A similar change of use for the Bow Window could also be achieved, if it has as a priority soft landscaping to the front of the property and preservation of the appearance, character and charm, particularly of the south elevation of the original building.

I would also hope that the 'Hayloft Garage' in the grounds of the property, such a unique feature in the Area of Special Character, will be preserved.

Yours sincerely,
