Dear Sir or Madam,

M/49/18

143 Middleton Road, Middleton on Sea

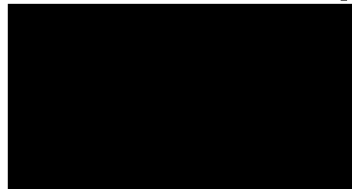

Please note that I wish to make no objection to this application.

I live opposite Milford House, which is the very attractive private dwelling, adjoining the property subject of this planning application. That property, 143 Middleton Road, now seeks a change of use from restaurant (A3) to residential dwelling (C3).

The Bow Window, 143 Middleton Road, has been vacant for some considerable time and it does appear that use of the property as a restaurant or other commercial premises, is no longer a viable option.

In that case, the sensitive conversion of the property to a private dwelling, to mirror that presented by the property next door (Milford House), would appear to be in the best option.

I hope that the new owner of 143 Middleton Road will ensure that a change to private residence will nevertheless retain the frontage which is so sympathetic and in keeping with the Area of Special

L. Rose (Mr)
