Dear Sir or Madam,

RE M/49/17 – The Bow Window (formerly a Restaurant)
143 Middleton Road

I would ask that you kindly note that I do not object to this application.

It is regrettable that the restaurant was no longer financially viable, but I am sure the property could be used as a private house and that the general appearance of the property, which is such a part of the village, can be retained.

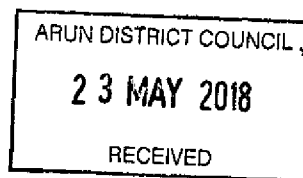

The property which is attached to No 143 Middleton Road was once, I believe, a retail outlet. It is now a very attractive private dwelling. If a similar appearance and layout at the front of 143 Middleton Road was continued, it would be a most attractive home and continue to enhance the appearance of this part of Middleton

As the Road Representative for the Byway I would also ask that a condition be imposed that no additional access be granted onto the property from the Byway which, as you will know, is a very quiet rural lane.

Yours sincerely,

Dear Sir,

143 Middleton Road
M/49/18

I have no objection to this application.

Although it is regrettable that some commercial properties are no longer financially viable, that is the reality.

A change of use of 143 Middleton Road, from restaurant to a private dwelling can nevertheless preserve the appearance of the building, which is such a real and attractive feature in this part of the village.

Yours faithfully,
